REQUEST FOR EXTENSION OF TIME TO FILE POST-HEARING BRIEFS

Pursuant to Section 102.42 of the National Labor Relations Board's Rules and Regulations, Series 8, as amended Counsel for the Acting General Counsel requests an extension of time to file post-hearing briefs in this matter. On January 25, 2013, at the conclusion of the presentation of evidence in the instant hearing, Administrative Law Judge Kocol ordered that the parties submit post-hearing briefs no later than March 1, 2013, and reply briefs no later than March 15, 2013. Counsel for the Acting General Counsel moves to extend the due date for the filing of the post-hearing briefs to March 15, 2013. Counsel for the Acting General Counsel requests this extension of time given the length of the transcript, volume of exhibits, and legal issues. Counsel for the Acting General Counsel has contacted Counsel for Respondent California Institute of Technology Jet Propulsion Laboratory and Charging Parties Scott Maxwell, Bruce

Banerdt, Larry D'Addario, Robert Nelson, and Dennis Byrnes, and none of the parties opposes this motion for an extension.

Respondent has agreed to make a separate motion for an extension of the due date for the reply briefs, and Counsel for the Acting General Counsel does not oppose Respondent's motion.

Thus, Counsel for the Acting General Counsel respectfully requests that the filing deadline for post-hearing briefs in the instant matter be extended to March 15, 2013.

Dated at Los Angeles, California, this 19th day of February 2013.
